

## An Interactive & Engaging e-Workshop

24 – 25  
November 2020

# Managing Remote Teams

with **Torsten Miland** (Denmark)  
& a special guest

Whether you are entering the world of remote work out of choice or necessity, one thing is certain: managing remote teams requires a different approach than managing employees in real life. It poses new challenges related to planning, execution, communication, productivity, trust, results tracking, etc.

This e-workshop aims to share remote-working best practices by seasoned Danish professionals for whom the "New Normal" is just "Business as Usual".

### Target Audience

Managers from all departments: Branch, Retail/SME, Corporate, IT, HR etc., as well as every manager who needs to effectively manage teams remotely.

# e- Workshop: Managing Remote Teams

## Takeaway Topics:

- How to conduct effective online meetings that inspire and not exhaust
- Picking up the right communication signals and clues for effective e-communication
- Understanding own personality and developing necessary e-manager skills
- Adapting the right tools and methods to increase team's productivity and morale
- Real Success Story – How we implemented a successful remote work system at Bonava  
Special Guest: Mr. Poul Bjerre - Head of HR for Denmark and Norway.
